Correction to: *Experimental & Molecular Medicine* <https://doi.org/10.1038/s12276-025-01530-0>, published online 01 September 2025

After online publication of this article, the authors noticed an error in the Figure image section.

In Fig. 2B, the right end arrow color is incorrect. In Fig. 4, the edit sequence and RT template location of pegRNA, the prime editor component, are incorrect. In addition, the PE6 mutation was misannotated.

The correct figures of this article should have appeared as shown below.

Incorrect Figure 2
