Correction to: *European Journal of Clinical Pharmacology* (2022) 78:383–391
<https://doi.org/10.1007/s00228-021-03255-1>

In method section of abstract, line 3, hazard ratio (HR) should be replaced by odds ratio/relative risk (OR/RR). In addition, HR should be replaced by OR/RR in the results section of abstract, line 2 & 4.

In ‘Data extraction and assessment of methodological quality’ section of Methods, line 7, OR should be replaced by odds ratio/relative risk (OR/RR). In addition, in ‘Data synthesis and statistical analysis’, line 13 & 16, HRs (hazard ratio) should be replaced by OR/RR. HR should be also replaced by OR/RR in method section, line 3 & 5, page 385.

All HR in the results section should be replaced by OR/RR. All HR in Fig. 1 & 2 and table 1 & 2 should be replaced by OR/RR. All HR in supplemental table 2, 5 and supplemental Fig. 2,3, & 4 also should be replaced by OR/RR.
